

SUSTAINABILITY & ENERGY CONSULTANT JOB DESCRIPTION

Contract: Permanent

Start Date: Immediate

Office: Chipping Sodbury, Bristol

Darren Evans Assessments are experts in sustainability and energy efficiency. We work for a multitude of different clients from large commercial developers through to independent investors with a small private rental portfolio, architects, house builders and public sector organisations. Our services range from SAP and SBEM Calculations, PSI Value Calculations, Air and Sound Testing, to BREEAM Assessments, Thermal Modelling and Tender Support.

Due to expansion, we have a vacancy for a Sustainability and Energy Consultant to join our friendly team based in Chipping Sodbury.
